MEMORANDUM FOR: The Honorable
The Secretary of Defense

SUBJECT : Access Roads

1. Certain installations required by this Agency will have need for access road construction.

2. The purpose for which such installations will be utilized justifies consideration of such road construction under the Federal Aid Highway Act of 1950. It is, therefore, requested that this Agency be certified by the Department of Defense as a Defense agency for the purpose of obtaining access road construction under this Act.
